

KIDANE YEMANE <kidane.yemane74@gmail.com>

Die Prophezeiung mit Donald Trump war unvollständig, denn wenn alle von Anfang an gut aufgepasst hätten, dann wüssten Sie, dass Seine Prophezeiung nur bis zur Präsidentschaftswahl 2024 geht.

Dear Anonymous Nazis sympathisers in Bitcoin,

if you had been paying attention from the beginning, you would know the answer. However, I gave my word, and still gave Donald Trump the choice to do the right thing before he gets his lesson. For this reason, you will not know the full prophecy of November 2020 until 1 January 2024. At the upcoming President-in, I, the true Bitcoin magician and Atum Ra envoy, will open the portal of happiness as soon as the deal for the production of the gravity generation machine is within reach.

Currently you are relying on the satellite rockets to bring you misfortune. In my last letter, I didn't mention anything about the luck portal being open. As soon as it is ready, you will hear from me personally about the opening of the happiness portal. If you feel confused, then have a look at my website, and if there are no winning formulas, then the luck portal is closed. As I said, I don't like interruptions and unpleasant natural disasters that throw a spanner in the works, so I first have to contact the Creator God Atum Ra and ask for His favour and the opening of the portal of luck. Only then will I myself receive the answers that are important to bring the Bitcoin price to over \$100,000. With your impatience, you are only causing profits to shrink and scaring off those interested in Bitcoin.

As long as President Biden is in office, the happiness portal will remain closed anyway. Be patient, because as I promised you, I need 1 year to achieve what my imitators will achieve in 10 years. Besides, it was all about the gravity generation machine and self-charging battery from the beginning. Out of greed, you let yourselves be deceived by satellite rockets that bring you nothing but misfortune. They only set them up to lure you into the Pinocchio trap. If you do this, you risk increasing the natural disasters in 2024, because things are not looking good at all at the moment, the earthquakes are shifting towards the Continent South and North America. Atum Ra sent me another sign today (https://youtube.com/clip/Ugkx1MJc1L7EagLIE21D-_ZCW8faX_SIA6G?si=3TAasBQDN2BHQDf-). I am to warn you, because the solar storm from the year 2025 is not a bluff. That's why I advise you to be careful, because I will not open the happiness portal before the year 2025.
